

Chicago

What time are we getting up?
What is today?
Which workshop are you going to?
Who is the guest lecturer?

What's for lunch?
Why are the elevators so slow?
Wasn't Illinois night fun?
Why do they call it the Windy City?

So the week began at the
2008 International Convention
Leading with Passion and Wisdom
Chicago, Illinois, July 22-26

Wisdom and Passion in word
Wisdom and Passion in song
Wisdom and Passion in life
Wisdom and Passion for all.

Vendors and Visual Arts
Workshops and state pictures
New friends, new ideas
And, of course, shopping.

Reunions and lunches
Tours and traveling the EL
Gathering Wisdom, Visiting Passion
Each day a new venue, a new challenge.

Regional Breakfasts and Forums
Elections, pictures and rehearsals
Business session with amendments and discussion
Ending in time to begin with Night on the Town.

A Celebration of Life and music
Guest Lecturer and concluding business
A beautiful ending with a reception
Installation and banquet.

A time of renewal and rejoicing
A time of exploration and growth
Where Wisdom and Passion met
Delta Kappa Gamma Society International.
